To
our
principal
and
friend

MR. HAROLD E. HENNESSY

He had made the journey with us, and, at every step of the way, and, at every turn of the road, his quiet sympathy, his warm understanding, and his loyal interest have taught us to carry our academic candles high and to keep the light of friendship, kindness, and consideration for others glowing steadily.

To the unassuming gentleman who has devoted his life and his talents to the wise guidance of young people, we, the Class of 1957, with gratitude and affection, dedicate this Yearbook to our friend and principal, Mr. Harold E. Hennessy.

DR. CARMEN C. MASSIMIANO

November 21, 1908 - March 1, 1957

IN MEMORIAM

NON OMNIS MORIAR -- Horace

Not all of me shall die.

In a comparatively short life, Dr. Massimiano was able to reach enviable heights in service to his country and to his profession. To do this, and, at the same time, to remain a devoted family man and a loyal member of his church, demonstrated fully his loyal dedication to the worthwhile purposes of life. Our sincerest tribute to our beloved vice-principal can only be an honest effort to emulate his example.

*We remember an outstretched hand,
Welcoming all who came with problems;
A bountiful giver, helping us find
The true pathways for our lives.
The heart will keep alive
All which is good
When that good has passed.
May we have the strength
To meet our lives with
The same sincere dedication and
Unfailing courage.*

FOREWORD

I shall light a candle of understanding in thine heart, which shall not be put out. -- 2 Esdras XIV : 25

As our three years at Pittsfield High School draw to a close, we, the Class of 1957, have chosen a candle as the theme and symbol of our yearbook. Through the pages of this book which recount the story of our efforts and our achievements we hope to manifest our sound belief that the fundamental purpose of our education has been to keep burning the candle of knowledge, to diffuse its warmth in friendship, kindness, and loyalty, to light the broad pathway to the future, and by our actions, our philosophy, and our successes keep our candles of understanding ever burning.

ALMA MATER

Words by Esther Kierstead '38 and Friend Kierstead '39

Tune: "All Through the Night"

Guardian elm trees cast their shadows
O'er thy ivied walls;
Sons and daughters ever loyal
Throng thy honored halls.
Pittsfield High School, Pittsfield High School,
Alma Mater dear,
Help us to preserve thy honor
Through each coming year.

Great has been thy former record,
Greater will it be
As the future generations
Sing their praise to thee.
Proud are we who through thy portals
Into life do pass;
Help us ever to be worthy,
Each and every class.

CLASS HISTORY

The candle that lit our high school years has burned itself out, but the flame of that waning candle flared as brightly on our graduation day as on the day we first entered Pittsfield High School. How vast and confusing these "halls of ivy" seemed to five hundred nervous sophomores awaiting a taste of a new and wonderful experience---high school! We wandered about in a maze of new locker combinations, new teachers, new subjects, new corridors, and new traditions. The bewilderment of our first few days soon gave way to busy weeks of diligent (?) study and exciting activities. We trudged home day after day with armloads of books disguised in beautiful purple and white covers. We became accustomed to the routine of school days---7A, 7B, and 6 period---and perfected the art of springing from our seats at the sound of the second buzzer. We plunged into the merry whirl of after-school activities---clubs, sports, and musical groups.

"8:30 A.M."

"This is the way it's done."

In October we were thrilled to get our very issue of the *STUDENT'S PEN*, which we had actually helped to write. At football rallies we bubbled over with enthusiasm, trying hard to learn all the cheers and make more noise than the juniors and seniors. Even better than the rallies were the games, where we yelled and screamed and cheered at the top of our lungs. When Mr. Strout brought out the clock that runs backward, our eagerness to be dismissed early on the day of our booster game made us become super-salesmen. The exciting day of the St. Joe game ended in bitter disappointment---we lost. In spite of all our enthusiasm, we didn't win a single game that year, but we vowed with determination to do better next year. (And we did!)

"Food"

With Christmas came a gay, glorious vacation....but after that, mid-year exams. The tension mounted and cramming became more desperate until the final test was over. (What a relief!) Then the basketball season was upon us, and an exciting season it was (especially when we defeated St. Joel). We ended the season holding third place in the Northern Berkshire League. The first week-end in March was an important year in the history of our local Tri-Hi-Ys, for more than five

"THEY'LL never step out of line!"

hundred girls from Rhode Island and Massachusetts attended the Older Girls' Conference at PHS. On April 1 the gym exhibition of 1954 was viewed by a full house - parents, fellow-students, and friends who had come to see us cavort about the stage doing gymnastics, folk-dances, weight lifting, and old-fashioned calisthenics. The newly-formed Cadettes made their first public appearance that night with their smart purple and white uniforms and precision marching.

"Students at work (?)"

"Yea, Pittsfield!"

With spring came a busy round of activities, sports, homework, and—of course—spring fever. On May 6 the annual spring concert was presented by the orchestra, band, girls' glee club, choraleers, and danceband. Later that month the members of the music department traveled to Chicopee to participate in the Western Massachusetts Music Festival. What a hot day it was for a parade! (What a temptation to skip out and go

swimming!) As June arrived we felt a growing impatience to begin our summer vacation and a growing reluctance to bid good-bye to our friend and principal, Mr. Roy Strout. After thirty-four years of devoted service, Mr. Strout was beginning a well-deserved retirement. When school was out at last, we rushed out to meet the happy days of sun, fun, trips, and summer jobs.

"Election of 1956."

"Don'ts they took real?"

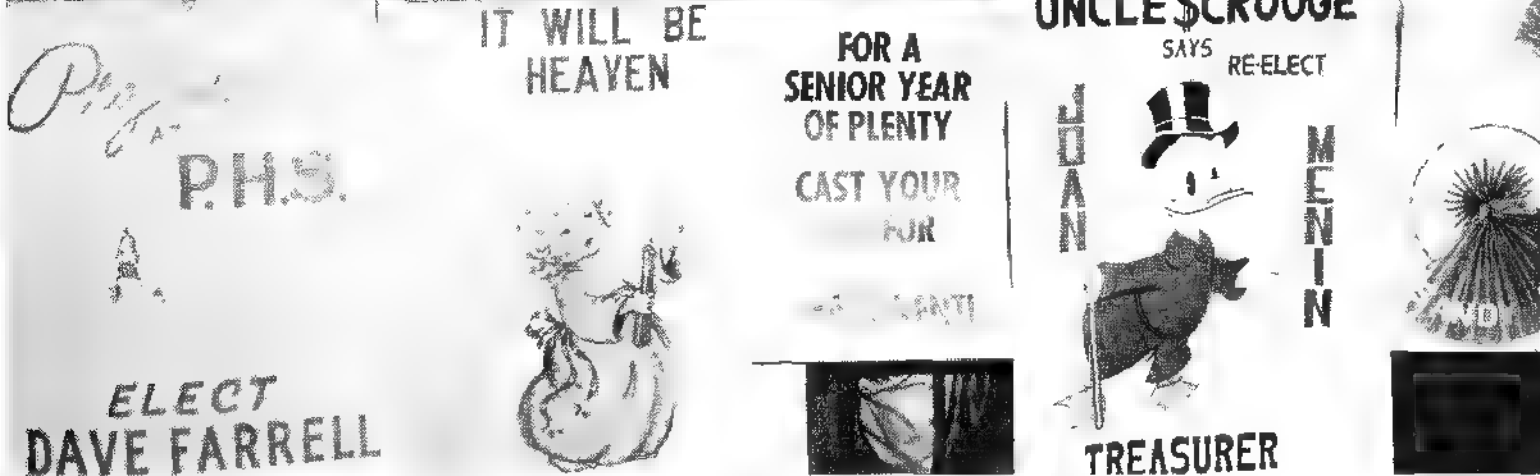

"In the wee, small hours of the morn."

Yet, strange as it may seem, when September rolled around again, we were anxious to return to school as----juniors! We greeted old friends and fell into the old routine. Football rallies were as noisy as ever, and we laughed till our sides ached at some of the comical skits presented by students. We became engrossed in many activities, scholastic and otherwise. We discovered the art of completing assignments early in the morning, be-

tween periods, and during classes in other subjects. We enjoyed SAS programs more than ever. (SAS programs meant shorter classes!) We really took pride in being juniors when our own JV cheerleaders were chosen after two weeks of practice, stiff joints, and sore muscles. Soon the Christmas vacation was upon us, and we had a week off to enjoy the holidays. We returned in January to face departmentals, as usual.

"Moonlight and roses"

"Poster warfare."

Soon after that we became "the Junior Class", under the guidance of Miss Jane Heaphy, our class advisor. After frantic campaigning and speech-making, we held our primary election. Then followed weeks of corridor and platform oratory, colorful posters, and clever tags (It was an honor to have a string of tags long enough to drag on the floor!), and finally the election of our class officers. With Dave Farrell, Class President, at the helm, the projects of the Junior Class were soon underway. Chairmen were appointed for the Class Ring Committee, the Junior Prom Committee, and the Goodwill Committee. We waited on pins and needles for our class rings, which we had ordered after hours of careful deliberation about style, color stripes, and radium backgrounds. When they finally arrived, we wore them with pride and satisfaction.

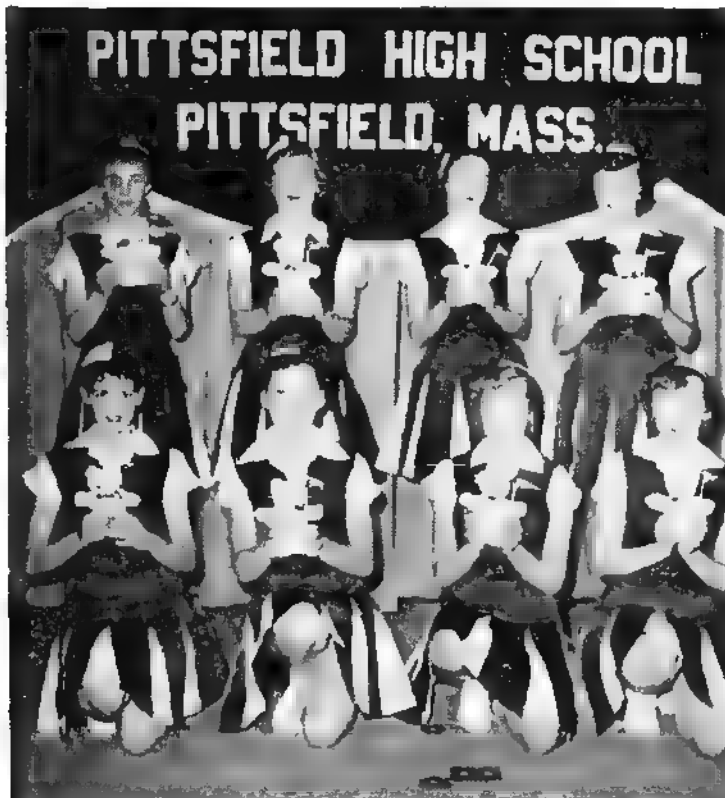

"The Charleston's back, and football's here to stay."

In April the All-State Musical Festival was held here in Pittsfield, with wonderful concerts in the school auditorium. And then it was Junior Prom time! Excitement grew as the Decorating Committee dashed about, fastening paper roses, stuffing mannikins, and stringing crepe paper across the gym.

On May 25, scores of glowing girls in fluffy gowns, and handsome boys in white dinner jackets danced their way through an evening of "moonlight and roses". At the gay after-prom party at the Currier Hotel we danced til the wee hours of the morning (without feeling the least bit tired).

"Teddy bears invade P.H.S."

"Behind bars."

"Peace on earth"

In June we witnessed the lighting of our class officers' candles as the departing senior officers moved solemnly across the dimly-lit stage to pass on to us the flame of Senior honor and responsibility.

After a wonderful, busy summer we returned to an even more wonderful and busy year---our last at PHS. What fun it was to be SENIORS---to be looked up to by lowly sophs and envied by mere juniors! We began at the very start to fill the whole

year with excitement, gaiety, and activity. As soon as possible, we elected our Senior Class officers, who served us well throughout the year. The football rallies and games were as wonderful as ever, and of course we won the St. Joe game! We waited impatiently for the arrival of the white and purple teddy bears which the Cadettes had introduced as school mascots, and when they arrived we carried them with us to games and rallies. The day we were measured for our caps and gowns was a memorable one, for we felt very important! Soon we began making preparations for the Christmas festivities. We were busy sewing angel costumes, making "stained glass windows", and wandering through the lobby to watch the tree being trimmed. On Friday our hearts thrilled as a hush came over the auditorium and the majestic "Christmas Mystery" began. The beautiful pageant, written in the fifteenth century, brought the spirit of Christmas to PHS in 1956.

After a wonderful vacation (in spite of research themes!), we returned to school and plunged again into work and play. Having survived the dreaded departmentals, Maplewood Essays, and report cards, we threw all our enthusiasm into cheering the basketball team on to victory. At the end of the season we were tied for first place in the Northern Berkshire League with our traditional rival, St. Joe. How proud and excited we were to win that play off game! We went on to win the Berkshire County Championship and our first game in the Western Massachusetts Tournament in Springfield. It was a wonderful season-- both for the team and for the school. In March we were busy as beavers with projects to raise money for the band's trip to Washington for the Cherry Blossom Festival. Our senior class play, "Time Out for Ginger", was terrific! The days slipped by faster and faster. We lived in a mad whirl of committee meetings, assemblies, athletic awards, and class pictures.

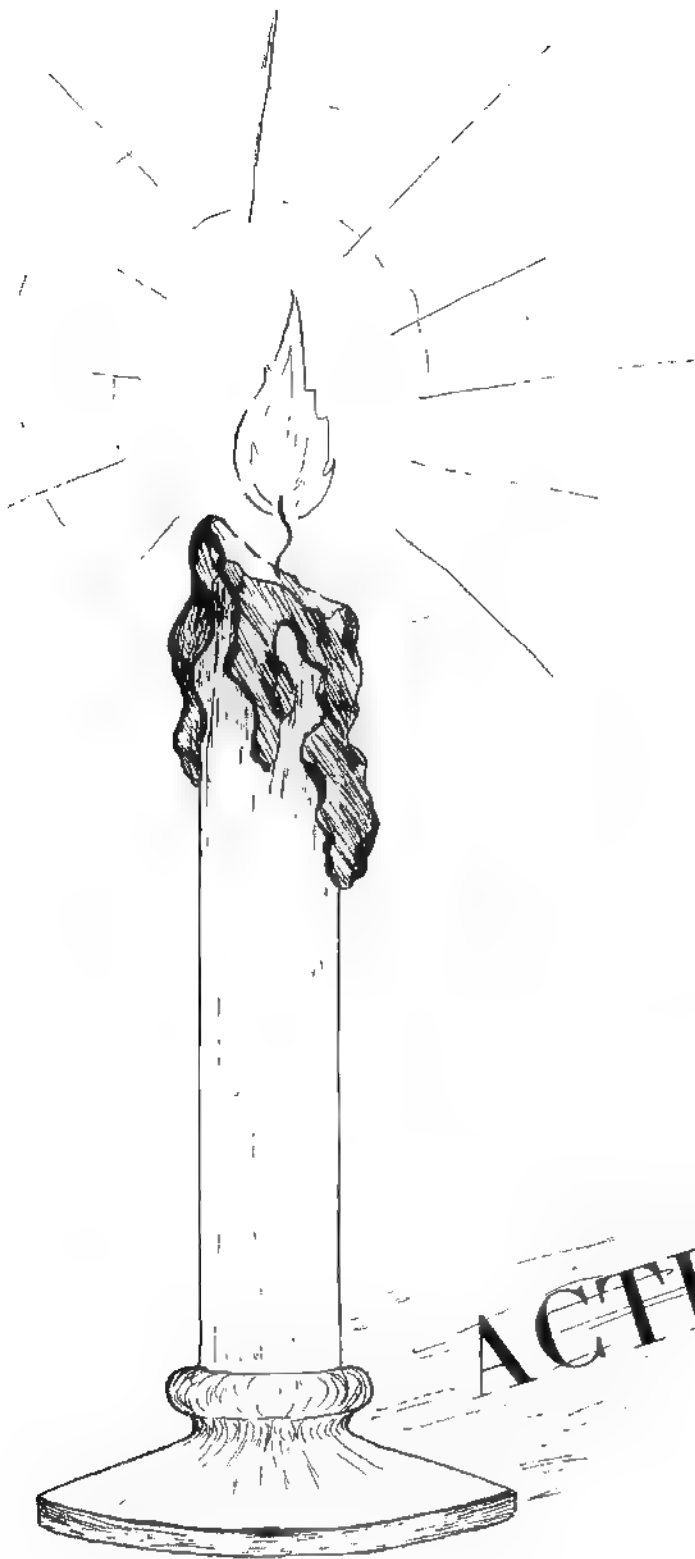

And then, all too soon, it was Graduation Week. On Class Day we reluctantly passed the light of Senior responsibility to our successors, and planted the tiny evergreen that was to remind future generations of the Class of 1957. During that last week we practiced marching again and again, fervently hoping that Sunday would be a beautiful day. We feasted gloriously at our class banquet before a wonderful evening of dancing, laughter, and memories. Our Senior Prom was heavenly, and we were dancing on clouds when the after-Prom party at Fastover ended in the wee hours of the morning. We truly could have danced all night! But the next day we trudged wearily up the familiar steps to empty our lockers and practice once more for graduation. Suddenly it was Sunday--Graduation Day. Dressed in solemn purple and white gowns we stepped forward to receive our diplomas--the most important reminders of our high school years.

The candle that lighted our high school years has flickered and gone out, but before dying, its flame ignited a stronger and steadier light--the bright light of the future.

"Preparations for the important moment."

Junior Prom

An evening of magic - that's what it was. The gym had been turned into a garden of soft pink and red roses complete with embellished arbors, trellises, and picket fences. Our attention was especially turned to the romantic setting in one corner. Under a glowing moon and in the presence of a pair of lovebirds were two manikins beautifully dressed in formal attire. We gazed in wonder at this miracle of transfiguration.

Decorating the gym was hard work --- but it was fun, too!

an evening we'll always remember.

As we danced in a dream under the soft lights to the harmony of Frankie Miller's orchestra, we couldn't help noticing how different all our classmates looked. Every once in a while a joshing voice called, "Oh, hi ya ----! I hardly recognized you."

When the melodious strains of our theme song, "Moonlight and Roses", announced the last dance, we marveled at the speed with which the hours had flown. Although most of us did not terminate our evening of paradise at the prom, we didn't want to leave because we truly could have danced all night.

CHRISTMAS

Santa's helpers decorate the tree

"Anybody seen Santa Claus?"

Christmas! Fifteen hundred enthusiastic students crowded happily into the auditorium to see and hear the long-awaited Christmas program to be presented by the seniors.

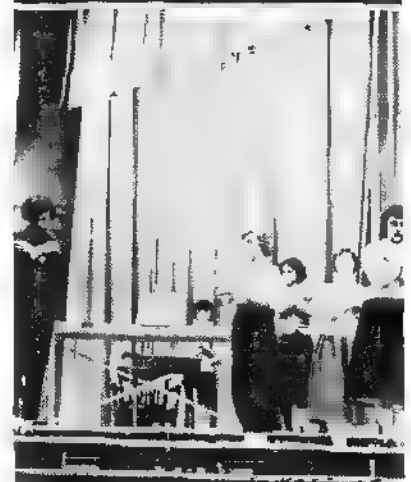

Climaxing weeks of patient preparation by the music department under Mr. Wayne and the members of the cast under Mr. Nesbit, the program began with a fifteenth century Christmas mystery play. As the auditorium darkened and the music began on a hushed, expectant note, blue lights softly outlined the church setting with its three stained glass windows, altar, and candles. The quiet, almost eerie, beauty of the scene seemed to impress on everyone the sublime mystery of the Christmas season, as it must have impressed the shepherds so long ago

Accompanied by its original music sung by the glee clubs, "A Christmas Mystery" unfolded slowly and solemnly as the procession of white-robed angels entered, hung their wreaths, lighted the candles, and prepared the manger for the coming of the Holy Child. When all was ready, Mary and Joseph entered, and the highest angel placed the Babe in the manger. This was one of the most impressive scenes in the play. Then came the Wise Men and shepherds, who knelt humbly to present their gifts to the Infant King. The angels extinguished the candles one by one, and all too soon the lovely pageant was over. For one moment a strange, awesome silence hung in the auditorium; then enthusiastic applause burst out everywhere. Christmas at P.H.S. had never before been so beautiful.

After the play the Choraleers put us in high holiday spirits with some carols. Mr. Hennessy gave an inspiring talk, wishing us a Merry Christmas, but reminding us, too, that in the midst of our own holiday fun, we should not forget those less fortunate than ourselves.

We, especially the seniors, all agreed enthusiastically as we left the auditorium to begin our vacation that this Christmas program would long be remembered as one of the loveliest and finest ever presented at Pittsfield High School.

SENIOR ACTIVITIES

Class Rings

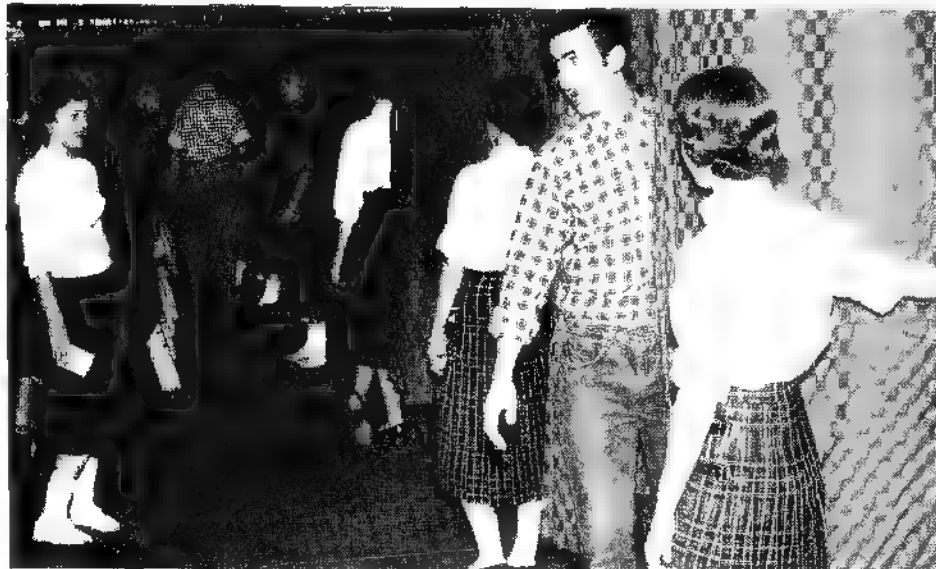

Receiving our class rings was an important occasion. From the time we first saw the sample rings displayed in the lobby until we actually tried on our own, we found it difficult to believe that we would soon be seniors. When the rings finally arrived, however, they seemed to dispel our doubts and somehow made us eager for our senior year to begin so that we could wear our rings proudly as members of the Class of '57.

Senior Class Elections

Excitement ran high at P.H.S. during Senior Class election week. From the third floor to the cafeteria, every available bulletin board was flooded with posters. Candidates took out nomination papers and began busy campaigns, giving out hundreds of tags with everything from candy kisses to poker chips pasted on them.

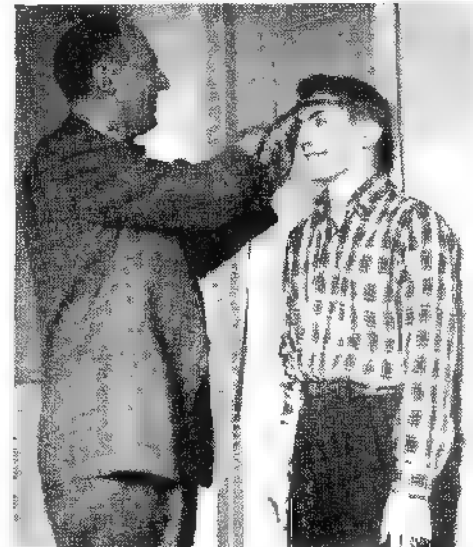

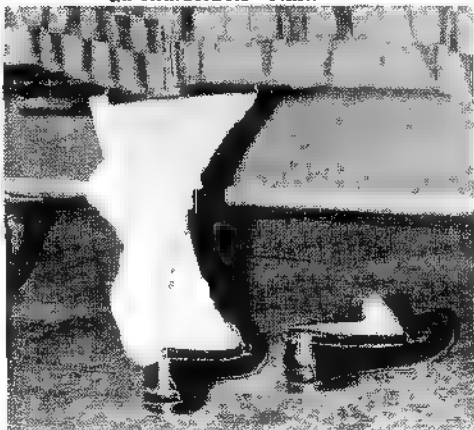

On Election Day the atmosphere was electric. All the candidates were so good that we found it extremely difficult to choose among them. In fact, it was practically impossible not to be influenced by last-minute urgings from so many of the candidates' loyal supporters! By this time, however, we were "old hands" at using voting machines and knowing just when to pull which lever, so the election ran smoothly. At least no one locked himself in the voting machine! In forty minutes nearly four hundred and fifty seniors had voted. Impatiently we returned to classes for what seemed like hours of tense waiting until the results were finally announced. David Farrell was again elected President, Paul Ventu and Pat Taglieri, Vice-presidents; Sandy Donna, Secretary; and Joan Menin, Treasurer. The Class of '57 was off to an enthusiastic start.

"Hmm...Should I vote for this one or that one?"

P.H.S. CADETTES

"Left! Right! Left!"

One of the finest things that we'll remember about our home football games will be the performance of P.H.S. Cadettes. When these girls, dressed in trim purple and white uniforms, marched onto the field to perform their drills with precision timing, we cheered loudly, proud to be students of Pittsfield High. No other school could match our Cadettes!

We Seniors hope that the drill team will continue to represent P.H.S. for a long time.

The Cadettes line up with their mascot at a football game.

CHEERLEADERS

"Razzle, dazzle, zip, zip, zip!
Come on, Pittsfield! Let 'er rip!"

When we recall the vivacious, enthusiastic people we met at P.H.S., we'll certainly remember the cheerleaders--the girls who put such wonderful school spirit into the games and rallies.

At every game, no matter what the weather or the number of points on the scoreboard, these girls were always out there cheering with all their might, helping the team to victory. Let's give a cheer for the cheerleaders!

FOOTBALL

Gridiron Glory

Long-awaited success finally arrived at Pittsfield High School during the 1956 football season. Coach Morris's men rolled up an impressive record of five wins and three losses. Captain Joe Simonetta ended his final season in a blaze of glory by scoring two touchdowns on long runs against our traditional rival, St. Joe. Half-back Nick Morris, although injured early in the St. Joe game, showed tremendous drive during the rest of the season. That little extra yardage necessary for a first down came easily to Paul Venti at fullback. Quarterback John Seely's skillful faking and signal calling also led to the team's overall fine showing, while the punting department was effectively manned by defense-halfback Tom Mulcahy. Of course, we cannot overlook the splendid play of our line led by Seniors John Kozaka, Bobby Kahn, Henry Allesio, and Ken Gale. The "Purple and White" truly has a team worthy of high praise.

The 1957 Basketball season saw Coach Hickey's hoopmen crowned the Berkshire County champions. After rolling up an impressive record of twenty victories against only four defeats, they went on to Springfield to participate in the Western Massachusetts tournament, where they reached the semi finals.

The Northern Berkshire league season was action-packed, with our cagers winning ten of their twelve games. It took our hoopmen still another game to win the Northern Berkshire Crown against city rival St Joseph's. In the North-South competition, Pittsfield defeated Searles and took the county laurels.

Coach Hickey's men combined speed, ability, and height for their great year. They were sparked by Captain Dave Farrell, high-scoring Kirk Leslie and Mike Mole, aggressive John Cook, and hustling Charlie Mamcivalano. When Coach Hickey wanted to rest one of his players, he could always count on the fine play of substitutes Paul Rote, Fred Cox, Ray Pierson, Tom Mulcahy, Dick MacCartney, and Dick Hoeske.

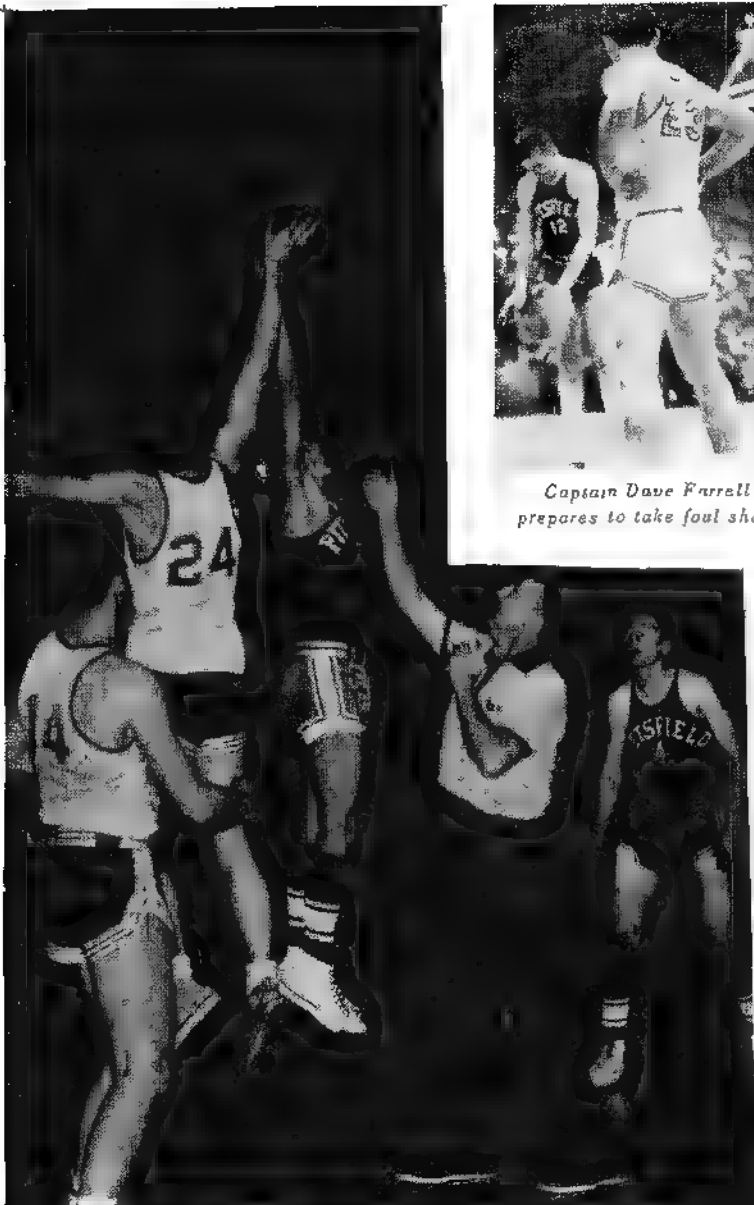

Pittsfield High School should be proud of its fine team, and of a fine coach, Mr. Edward Hickey.

Our 1957 hockey team, coached by Granville Pruyne, played fine hockey despite a seemingly unimpressive record. Although they won only one of their five games, they fought down to the wire. An additional goal in many cases could have turned defeat into victory.

The play of goalie Dick Decelles, and defensive guards, Captain Danny Young and Ed Barzotini, broke up many a potential score by the opponents. The forward line of center Al Freeland and wings Matt Collins and Bob Babillis gave the team a good scoring punch.

Coach Pruyne, the varsity team, and the J. V.s all deserve praise for their strong determination and drive.

SKI TEAM

Sparked by co-captains Ray Tuggey and Woody Woodard, along with John Seely, Dave Doherty, Dave Badger, Karl Heye, Bruce Barnett, and Jim Riddle, Coach John Nesbitt's ski team took first place in a tri-school meet with Lenox Prep and Darrow. In their next two meets, they drew split decisions with Drury High. Their second place finish in the Berkshire Interscholastic meet clearly displayed the team's great potential.

Because of this splendid record, the skiers earned an invitation to the New England High School Ski Meet held at Lyndonville, Vermont. Here they stood up well against stiff competition. Fine skiing by John Seely and Ray Tuggey especially helped the team at this meet.

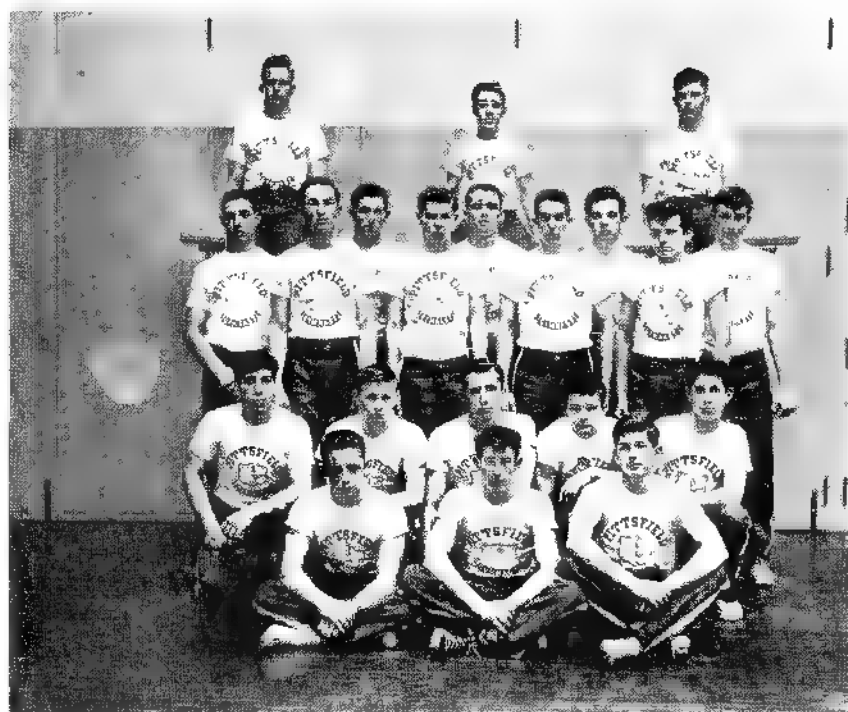

The 1957 ski team, we are all agreed, certainly earned their laurels.

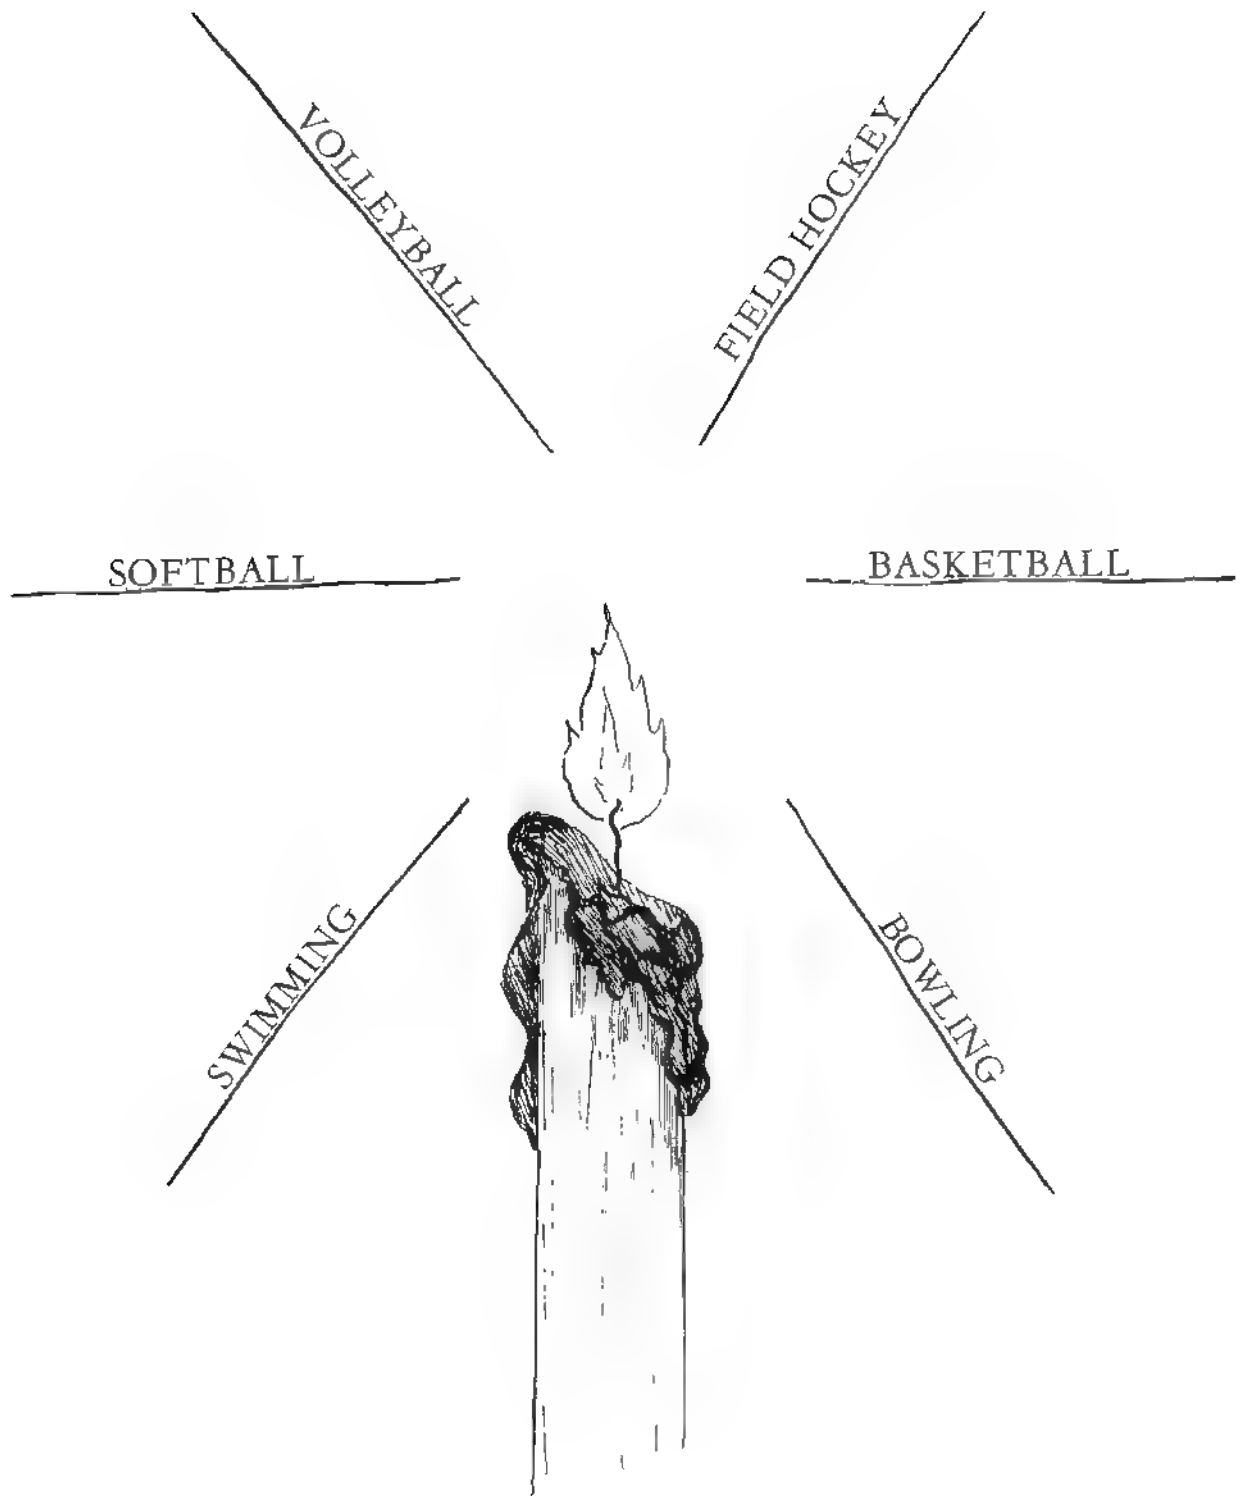

GYM TEAM

Our gym team, under Coach John Carmody, worked hard and long to perfect its routines. Unfortunately, not many schools have gym teams; hence, there could be little competition with other schools.

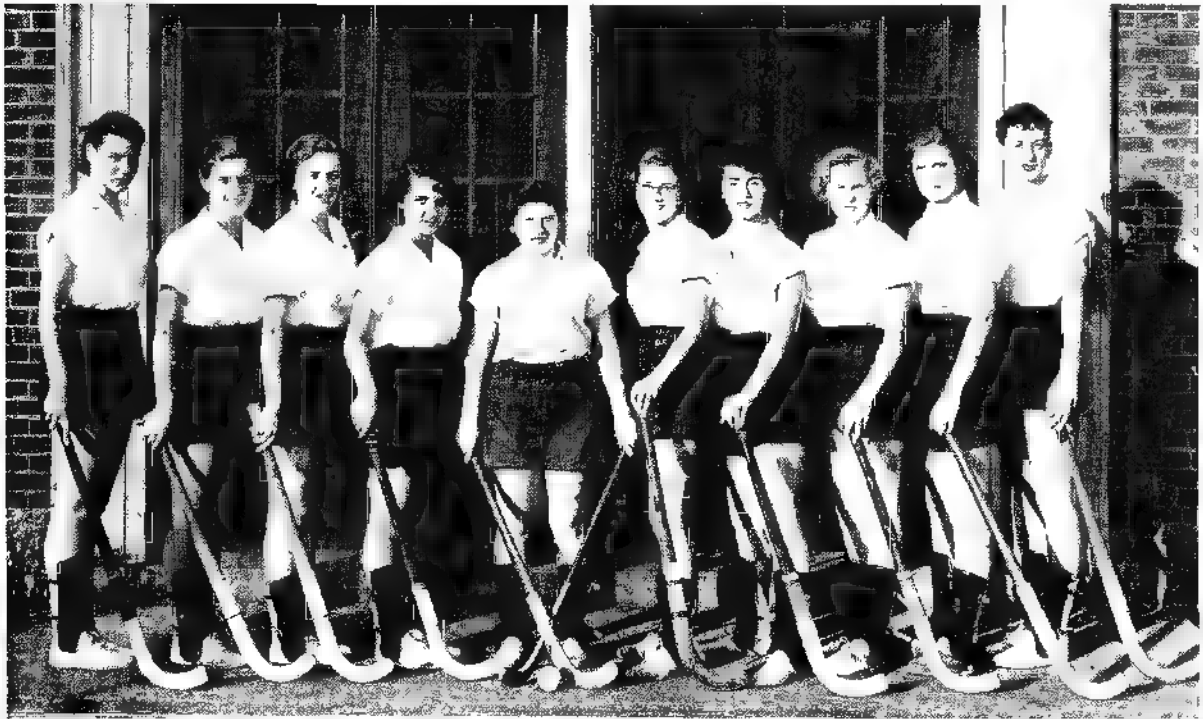

On April 12th, the team performed in the Gym Exhibition held for the public in our auditorium. There were fine performances by Bob Rohles on the parallel bars and by Joe Simonetta, Frank Szelest, and Bill Thornton on the high horizontal bars. Dick Dallair cumbled and "straddled" the horse, while Pete Bianco and John Ambrose battled in the weight lifting contest.

Because of the many long hours of practice and patience which have enabled these boys to show their skills, the gym team and Coach Carmody truly deserve the recognition they receive.

This year, as every year, we seniors enthusiastically looked forward to the hockey season. When we were sophomores, the game was new to us and we suffered sudden defeat. Our spirit was undaunted, however, and as juniors we came back to overpower the 1956 seniors, and win the tournament. Our senior team got off to a successful start, but stormy weather thwarted our hopes of a whopping victory over the juniors and ended the competition for the fall season; hence the ultimate decision was deferred until spring.

Beginning early in January, the varsity volleyball teams were formed for 1957. Because of the holidays, practice sessions were few, but each team was sparked with great enthusiasm and felt confident of winning the tournament. The experienced seniors, led by Captain Dot Fedoryshyn, proved to be an unbeatable combination, overpowering both the juniors and sophomores by wide margins. The only thing to say to contending juniors and sophomores is: "Better luck next year, girls. The taste of victory is sweet!"

"Victory" was the cry of the Senior girls as they emerged from their basketball season undefeated. The members of the squad had previously captained their own Round Robin teams, and each contributed skillful playing to the varsity team. Their ability to play well together enabled them to outscore decisively their opponents.
